**Re: Report of Ex Parte Contact
MM Docket No. 87-268**

RECEIVED
DEC 10 1997
FEDERAL COMMUNICATIONS COMMISSION
OFFICE OF THE SECRETARY

Dear Ms. Salas:

Pursuant to Section 1.1206(a)(2) of the Commission's Rules, this is to report that *ex parte* meetings were held on December 10, 1997, attended by the following persons:

Sherwin Grossman, President, Sherjan Broadcasting Co., Inc., ("Sherjan") licensee of
Station WJAN-LP, Miami, Florida
Mr. Bruce Franca, Deputy Chief, Office of Engineering and Technology
Mr. Keith Larson, Assistant Chief (Engineering), Mass Media Bureau

At these meetings, Mr. Grossman discussed the fact that the recent *ex parte* filing by Maximum Service Television, Inc. in this proceeding proposed to use assign Channel 41 at Miami, Florida, for digital use by WCTD(TV), Miami, thus displacing Sherjan's Station WJAN. Mr. Grossman presented the attached information, which shows that the assignment of Channel 19 rather than Channel 41 to WCTD would allow WCTD to transmit digital signals from the Miami antenna farm instead of downtown Miami and would better comply with the Commission's digital technical standards than the use of Channel 41. Mr. Grossman thus urged that the Commission either not modify the allotment table adopted in the *Sixth Report and Order* or else to assign Channel 19 rather than Channel 41 to WCTD.

Very truly yours,

Peter Tannenwald
Counsel for Sherjan Broadcasting Co., Inc.
